Manufacturing Metal Cutting Tools

COMPANY PROFILE

Welcome to **SS CUTTING TOOLS INDIA**, a leading name in Metal Cutting Tools. We are expertise in manufacturing of CNC, VMC, HMC Standard & specialized tools. **SSCTI** is providing best quality with lower cost product and development to our esteemed customer. We have 35 distributor in India and we are doing export Worldwide in 6 countries.

We believe superior quality is paramount and satisfy service provide to our customers. Now our company has equipped with advanced technology and processing technique, professionally manufacturing cutting tools for CNC turning machines and milling machines with excellent quality.

Our products are :

CNC Tool Holders, CNC Boring Bars, CNC Carbide Boring Bars, Non-Standerd U Drills, Indexable Endmills, Indexable Ballnose, Face Mill Cutters, Chamfer Tools, Pull Studs, T Slot Cutters & Special tools etc.

In terms of quality **SSCTI** in at par with the best in the industry. The raw material and tools are sourced form the most reliable and professional manufacturers across the globe.

All the tools are manufactured as per international standards and are passed through strict quality check , scientific management, excellent quality and advanced technology are the company's aim. The coming days will only witness us expanding our network all over the country.
